EXTRACURRICULAR CLUBS

ART & DESIGN

with Mr Milan
Mondays 14:00 -15:00
1 500 CZK/term

Develop your imagination and learn how to transfer everything to paper and then onto computer. With Mr Milan you will learn about drawing techniques, typography, colours, proper placement on paper and more. We will create collages, logos, posters, comics, flyers or billboards and learn how to connect it all and use it in practice.

CHINESE

with Ms Hongmei
Tuesdays 14:00 - 15:00
1 500 CZK/term

Are you interested in learning a language that 1.3 billion people around the world speak? Join Ms Hongmei in our Chinese Club. You will be learning how to introduce yourself, numbers, time and other practical expressions in Mandarin during first term.

RUGBY

with Mr Leighton
Wednesdays 14:00-15:00
1 300 CZK/term

Rugby, originating in the United Kingdom is now played all around the world. Mr Leighton brings his rugby skills all the way from the UK, so come and join his touch rugby sessions on Wednesdays and experience a true British sport played even in the rain!

LEGO

with Bricks4Kidz
Thursdays 14:00-15:00
1 500 CZK/term

Do you like LEGO? Join the LEGO Club full of building activities with LEGO bricks. Children learn in a playful way about a variety of interesting topics and build a different model every week!

SCHOOL FARM PROJECT

Come and learn with us about gardening and farming - identify plants, trees, weeds, pests and birds! More information in School Farm Project leaflet.
